

THE LUNCHEON.

BEYOND THIS POINT LIES ELEGANCE, LAUGHTER AND A DANGEROUSLY
GOOD TIME...

HOLD ON TO YOUR HATS AND ENJOYYYYYY!

PICTURE THIS...GOSSIP GIRLS.

Now I know what you're thinking...

“Gossip Girls??”

Relax, love — not that kind.

Soon, you'll be stepping into the upper-east side, a world of luxury, elegance, elite energy, and a little harmless pretending. For one evening only, we're all rich, fabulous, and overdressed on purpose.

Expect good food, endless laughter, unforgettable vibes, and people serving looks all night long.

Oh and one more thing...

We simply have to look like the very best.

XOXO

RED AND BLACK EVENING GOWNS.

Haah... thought I was joking?

Think of it as a little Upper East Side
cosplay.

After all, what screams “rich” more than
a breathtaking gown?
What screams “powerful” more than red
and black?

Now, put it all together and let your
imagination run wild.

Bold. Rich. Powerful.

You're welcome. 💋

"God is within her"

ON TO THE NEXT ONE!

Oh no... you didn't think that was
all we had, did you? ✨

Relax, love.

Welcome to where we run free — yep,
partying, partying, and more partying!!!

Remember, the night is still
as young as we are... 💋

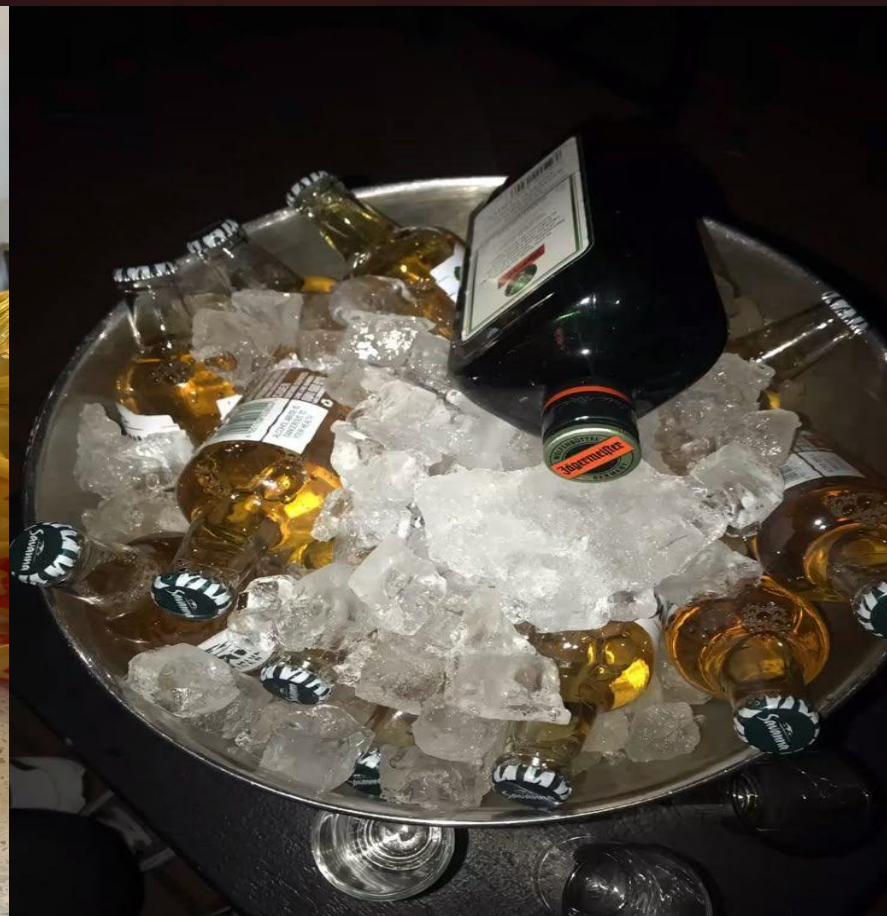

"God is within her"

A LITTLE BIT OF THIS...

"God is within her"

THIS...

"God is within her"

...AND OF COURSE THIS.

"God is within her"

AND JUST LIKE THAT...WE'VE REACHED THE END! ✨

Now, of course, we're all looking forward to the 4th of July.

Pictures, heels, shots, hair, nails, shots, makeup, food, food,
food, music, dancing, drinking and loads of fun.

Can't wait to see you there. 💋

P.S. BRING AN EXTRA LIVER!!!! 😊
